GENERAL INFORMATION

Code of Ethics

All candidates applying to take the registration examination for dietitians must sign the following agreement when establishing eligibility to take the registration examination:

“As a registered dietitian or dietetic technician, registered, I agree to abide by the Code of Ethics for the Profession of Dietetics (cdrnet.org/coe), and to hold harmless the Commission on Dietetic Registration or other RDs, RDNs, DTRs and NDTRs, and CDR employees for their activities in enforcing them.”

By accepting this non-disclosure agreement you are also acknowledging that you have read and understand all policies and procedures in the Handbook for Candidates.”

EXAMINATION PROCEDURES

This Handbook must be read in its entirety before scheduling a testing appointment.

All candidates approved as examination eligible automatically receive an Authorization to Test email from Pearson VUE (CDR's testing vendor) which explains the process to schedule the exam. If a candidate does not receive their Authorization to Test email within 48 hours of CDR's eligibility confirmation email, they should contact Pearson VUE customer service at 888-874-7651.

Registering, paying, and scheduling for the exam must be completed on Pearson VUE's secure website or by calling Pearson VUE. **For instructions on applying for test accommodations, please read the Testing of Candidates with Disabilities section beginning on page 1.**

Candidate Profile

Candidates are responsible for reviewing their Pearson VUE candidate profile. To do so, sign in to the [CDR/Pearson VUE web portal](#). In the My Account section, profile information can be viewed under the My Profile tab. Changes to profile information need to be made in writing to CDR (cdrexams@eatright.org).

For candidate identity protection, name changes must be submitted to CDR by mail or through the [CDR website](#). The [name change form for registration eligibility](#) must be sent to CDR with an original legal document (marriage license, divorce decree, or court order showing the name change) or a notarized copy of this document. Original documents will be returned upon request.

Only a candidate's legal name as it appears on an *original, valid (unexpired) government issued ID* that includes their name, photograph, and signature, should be used. A candidate's name in Pearson VUE's scheduling system profile must match the name on the government-issued photo identification card to be admitted to the examination at test centers (address does not need to match).

Authorization to Test

Candidates approved for registration eligibility are authorized to test for one year at a time. The one-year authorization period is indicated in the Authorization to Test email sent to the candidate by Pearson VUE.

Authorization expires when the:

- Candidate takes the examination;
- One-year authorization period ends;
- Candidate fails to cancel the testing appointment within the specified timeline (see page 3, Scheduling,

- Changing, or Cancelling an Appointment);
- Candidate arrives late for the scheduled testing appointment (see page 3, Late Arrivals);
- Candidate does not complete the examination during the test appointment (see page 3, Rules for the Examination);
- Candidate fails to present a qualifying ID;
- Candidate fails to agree to the Non-Disclosure Agreement.

Candidates seeking reauthorization may do so online at reps.cdrnet.org/reauth, by email (cdrexams@eatright.org), or by telephone (312-899-4859). Email requests should include the candidate's name and CDR candidate ID/Academy of Nutrition and Dietetics membership number.

Test Center Information

The registration examination for dietitians is administered at over two hundred and fifty Pearson VUE professional test centers in the United States and selected international locations. A Pearson VUE Test Center Locator can be found on the CDR/Pearson VUE homepage (www.pearsonvue.com/cdr) under the "Find a Test Center" header.

Scheduling, Changing, or Canceling an Appointment

Scheduling, changing, or canceling an appointment is completed on the Pearson VUE Web Portal. **All appointments must be made at least 48 hours in advance of the desired date/time.** Any changes to an appointment made through an online account must be completed **at least 48 hours before the current test appointment.** To schedule an appointment online, a candidate must sign into the CDR/Pearson VUE web portal using the username and password received upon creating a Pearson VUE account, select the appropriate exam, and follow scheduling prompts.

When rescheduling by **telephone, the call must be placed at least 48 business hours in advance of the current test appointment.** Anytime an appointment is scheduled, changed, or cancelled, the candidate will receive confirmation of the transaction by email. **It is the candidate's responsibility to verify the receipt of the scheduling or cancellation email and the testing appointment date, time, and location. If assistance in scheduling a test appointment is needed, please call Pearson VUE's Candidate Service Center at 888/874-7651.** Scheduling outside of business hours must be done on the Pearson VUE Web Portal.

If a test center is closed due to an emergency, Pearson VUE will email candidates to inform them of the closure and provide them with the opportunity to reschedule their examination at no cost. If a candidate believes an emergency (illness, weather conditions, etc.) prohibits them from testing, they must contact CDR before or within three days of the scheduled examination. Candidates should email CDR at cdrexams@eatright.org to provide an explanation, supporting documentation detailing the emergency, and a request for reauthorization.

Submission of Payment

The examination fee is separate from the Academy of Nutrition and Dietetics membership dues and CDR registration maintenance fees. The examination fee of \$200 **must** be paid by credit card at the time of exam appointment registration. Upon successful payment, the scheduling system will send an email confirmation of the appointment. It is important that this confirmation is received to ensure the exam was successfully scheduled. Please note, Federal regulation prohibits Pearson VUE from accepting payments from sanctioned countries.

Examination Fee Refunds

Candidates may cancel an appointment and obtain a refund provided the cancellation is done online a minimum of 48 hours before the appointment or by phone to Pearson VUE 48 business hours before the appointment. Candidates may reschedule to another exam appointment, provided the candidate's authorization to test period does not expire on or prior to the new testing appointment. If their authorization expires before a new testing appointment can be made, the candidate must contact Pearson VUE for a refund, reauthorize to test with CDR, and pay another examination fee. Refunds are not provided for candidates who fail the examination or who do not arrive for an appointment.

Step by step instructions about scheduling or paying for the exam are posted on www.pearsonvue.com/CDR. For further assistance, contact Pearson VUE at 1-888-874-7651.

TESTING OF CANDIDATES WITH DISABILITIES

CDR makes every reasonable effort to accommodate applicants for the registration examination for dietitians who are disabled, as that term is defined in the Americans with Disabilities Act (ADA) of 2008. To make the registration

examination for dietitians equally accessible to applicants with disabilities, testing accommodations are made available for candidates with diagnosed physical, mental, sensory, or learning disabilities, and who provide appropriate documentation. It is important to understand that the mere documentation of the presence of a disability does not entitle the examination candidate to accommodation(s). Rather, the impact of the disability on the candidate's ability to take this examination must be quantifiably documented.

Candidates should apply for accommodations as early as possible as **accommodations must be approved in advance of scheduling an exam**. It is the candidate's responsibility to notify Pearson VUE of the need for accommodations. Pearson VUE reserves the right to independently evaluate documentation submitted by all candidates who request accommodations. Pearson VUE may refuse accommodations if adequate notice accompanied by complete documentation as set forth above is not provided. If accommodations are denied, the candidate will be required to test under standard conditions.

Candidates applying for test accommodations must read and follow the instructions provided at www.pearsonvue.com/accommodations before scheduling their appointment. Follow the instructions in the Guidelines for Candidates. **All documentation for accommodation applications must be sent together to the fax number provided. Accommodation requests and supporting documents must be submitted for evaluation every time accommodations are requested for an examination.**

Candidates will be notified by letter whether their accommodations have been approved. Candidates who have been approved for accommodations cannot test without the accommodation granted. **All appointments with accommodations MUST be scheduled by phone, using the instructions provided in the accommodations approval letter.** Direct any questions regarding accommodations that has already been granted to Pearson VUE at 888-874-7651 and ask for an Accommodations Program Coordinator.

Admission to Examination

Candidates are required to present one form of original, valid (unexpired) government issued ID that includes their name, photograph, and signature. If the candidate does not have the qualifying ID issued from the country they are testing in, a passport from their country of citizenship is required. The identification must reflect the candidate's current legal name and match the information on their Pearson VUE profile. Workplace or university identification will not be accepted.

Due to the ongoing COVID-19 pandemic, **facemasks are required while testing at Pearson VUE-owned test centers. Please see Pearson VUE's COVID update page** for important test delivery information pertaining to COVID (<https://home.pearsonvue.com/coronavirus-update>).

All examination candidates who report to a Pearson VUE Test Center will be required to remove their eyeglasses and present them to the Testing Administrator for visual inspection. Eyeglasses are considered a comfort aid item, which means they are allowed in the testing room following visual inspection to ensure examination security.

For identity authentication, candidates will have their palm scanned using "Palm-Vein Recognition" biometric technology. Palm-Vein Recognition offers an accurate, safe form of positive identification and helps to maintain the examination's integrity.

Late Arrivals

Candidates who arrive late for their testing appointment will not be seated. Candidates must contact CDR to be reauthorized to test and will be required to pay the examination fee upon rescheduling.

Rules for the Examination

1. None of the following types of personal items may be taken into the testing room: cellular phones, tablets or other electronic devices, watches, wallets, purses, hats (and other non-religious head coverings), bags, coats, books, or notes. Studying is not allowed in the test center. Candidates must store personal items in a secure area indicated by the administrator. Cellular phones and other electronic devices must be turned off prior to placing them in the designated secure area. The testing center is not responsible for lost, stolen, or misplaced personal items.
2. The proctor may dismiss a candidate from the examination for any of the following reasons:
 - If a candidate creates a disturbance, is abusive or otherwise uncooperative;
 - If a candidate gives or receives help, or is suspected of doing so;
 - If a candidate attempts to remove test materials or notes from the test center;
 - If a candidate attempts to take the examination for someone else;

- If a candidate has access to a cellular phone or other electronic device during the testing session.
3. No visitors will be allowed at the test center.
 4. An erasable note board, issued by the Test Administrator (TA), may only be used after the exam has started. The candidate cannot remove this item from the testing room at any time during the exam, and it must be returned to the TA immediately after the exam.
 5. A simple pop-up calculator is provided on-screen, at each computer workstation. A simple, handheld, test center calculator may be requested and provided by the TA. Examinees are not permitted to bring their own calculator. The calculator must be examined and tested by the candidate prior to the beginning of the examination.
 6. Candidates will sit in an assigned workstation until escorted out by a TA. Eating, drinking, smoking, chewing gum and making noise that creates a disturbance for other candidates are prohibited during the exam. Candidates who require assistance must raise their hands to alert the TA.
 7. Candidates will have two and one-half (2 ½) hours to complete the examination once the timer begins (at question one). Examinees will have the option to hide the timer during the examination. Examination testing appointments are three (3) hours; two and one-half (2 ½) hours to take the examination, twenty (20) minutes to complete an introductory tutorial, and ten (10) minutes to complete the post examination survey.
 8. Examinees must respond to the minimum number of examination questions (125) for the exam to be scored. If the examinee does not respond to the minimum number of questions within the time allowed (two and one-half (2 ½) hours), the examination will shut down and the exam will be counted as a failure (since it was inconclusive.)
 9. Candidates are continuously monitored by the administrator during testing. The session may be videotaped or otherwise recorded for security or other purposes.
 10. Candidates must raise their hand to notify the TA immediately if there is a problem that affects the candidate's ability to take the exam.
 11. The exam timer will not be stopped for any **unscheduled breaks**. If the candidate has received approval for special accommodations for a break, the administrator will set the workstation to the break mode and the candidate must take his/her ID when leaving the room. The administrator will verify the ID before the candidate can return to his/her seat. The exam will then be restarted.
 12. While taking an **unscheduled break**, candidates are NOT allowed access to personal items other than medication required at a specific time and with the approval of the TA.
 13. Candidates are required to answer the current question before moving on to the next question. Candidates are not allowed to review previous questions or change previous responses.
 14. Candidates cannot remove copies of exam questions and answers from the testing center and cannot share or discuss the questions or answers with other candidates.
 15. At the end of the exam, the TA will ensure that the candidate's exam ended properly. The exam score will display on the computer screen after the exam and the TA **will** provide a printed score report **after** the erasable note board and other materials have been returned.

CONTENT OF THE EXAMINATION

All the questions on the examination are intended to be practice related. Questions from any of the four content domains (outlined below) can appear anywhere in the examination and do not appear in content order. The examination includes questions that are intended to test at either the comprehension or application level. Comprehension questions require accurate understanding of concepts, principles, and procedures, and include the ability to translate information presented in different formats, such as graphs, tables, and formulas. Questions at the application level generally involve using information or knowledge to solve a problem, make a decision, select a course of action, and so on.

The examination is computer-based and variable length. Each candidate will be given a minimum of one hundred and twenty-five (125) questions; one hundred (100) scored questions and twenty-five (25) pretest questions. The maximum number of questions possible is one hundred and forty-five (145); one hundred and twenty (120) scored questions and twenty-five (25) unscored pretest questions. To receive a passing or a failing score report, the candidate **must** complete

between 125–145 questions. During the examination, if the candidate does not respond to the minimum of 125 questions (for whatever reason), he/she will receive a failing score report. Pretesting is done to see how well items perform before they are used in the scored portion of any examination. The pretest questions cannot be distinguished from those that will be scored, so it is important that candidates answer all questions.

REPORT OF RESULTS

After completing the exam, candidates will receive a printed score report. Should candidates not receive a score report, they can obtain one by going to the Pearson VUE scheduling portal or by contacting Pearson VUE. Score reports provide two sub-scores and a total scaled score. All test results are subject to verification.

The examination is scored on a scale of 1–50. The minimum scaled score required to pass the examination is 25. The number of questions the candidate must answer correctly to obtain the scaled score of 25 varies from one examination to another. This is because each examination includes a different set of questions. Based on candidate responses over time, it is known that some questions may be slightly easier or more difficult than others. The computer adaptive test format evaluates the candidate’s performance compared to the passing standard for the examination. The passing standard for the dietitian’s examination was established with the implementation of the current test specifications.

In addition to monitoring the candidate’s performance, the computer also monitors the difficulty level of the questions administered. If the candidate receives an examination that is slightly more difficult, fewer questions need to be answered correctly to pass the examination. Conversely, if the candidate receives a slightly easier examination, more questions must be answered correctly to pass the examination. This process ensures that candidates are neither rewarded nor penalized because they took an easier or more difficult examination.

To protect the security and integrity of the registration examination for dietitians, CDR does not release to candidates the examination questions or the correct answers.

Interpreting Score Reports

The content area sub-scores on the score report are not used to determine pass-fail decision outcomes. They are only provided to offer a general indication regarding candidate performance in each content area. The examination is designed to provide a consistent and precise determination of a candidate's overall performance and is not designed to provide complete information regarding a candidate's performance in each content area. Candidates should remember that areas with a larger number of items will affect the overall score more than areas with a fewer number of items. The precision and consistency of scores diminishes with fewer items, and therefore, sub-scaled scores should be interpreted with caution, especially those that correspond to content areas with very few items.

Candidates Passing the Examination

Information relative to credential maintenance will be sent by email to the examinee within two weeks of passing the examination.

Examination Reauthorization

A candidate who fails the examination or whose eligibility has expired (see page 1, Authorization to Test) must reauthorize to test again. Reauthorization does not occur automatically. Candidates will be allowed to retest 46 days after taking the examination unsuccessfully.

Appeals Procedure

An individual may appeal decisions regarding Commission policy/procedures (certification eligibility, certification maintenance, and recertification) by filing a written appeal. Appeals must be sent to CDR (cdrapeals@eatright.org) within 30 calendar days after notification of an adverse decision and will be considered by the CDR Appeals Panel at its next scheduled meeting. A \$20.00 Appeal Review Fee will be required with every appeal submitted. Appeals submitted without the fee, will not be considered by the CDR Appeals Panel. A comprehensive copy of the appeals procedures can be found on the CDR website (<https://www.cdrnet.org/appeals>). Please note that examination specific appeals regarding the receipt of a failing score, disputes about content validity, examination measurement tools, or individual test items will not be considered.

Verification of Registration

CDR will verify registration status to licensure boards, employers, and the public upon written request (cdrverify@eatright.org). Examination scores cannot be released without written authorization from the candidate (cdrexams@eatright.org).

Frequently Asked Questions**

Examination Format and Development Information

1. How often are examinations administered?

Examinations are administered year-round at Pearson VUE Testing Centers.

2. Where are examinations administered?

CDR’s testing agency, Pearson VUE, has over two hundred fifty approved examination test centers nationwide, conveniently located in professional office spaces. 4. How many questions are on the registration examination for dietitians?

The multiple-choice examination is variable in length. Each examinee will be given, and must receive, a minimum of one hundred and twenty-five questions (125): one hundred (100) scored questions and twenty-five (25) pretest questions in order for the examination to be scored. The maximum number of questions possible is one hundred and forty-five (145): one hundred and twenty (120) scored questions, and twenty-five (25) un-scored pretest questions. If less than 125 items are answered when the 2 ½ hour testing period has ended, the candidate will receive a failed score of 2, indicating inconclusive.

5. How many questions are on the registration examination for dietetic technicians?

The multiple-choice examination is variable in length. Each examinee will be given, and must receive, a minimum of one hundred and ten (110) questions; eighty (80) scored questions and thirty (30) pretest questions in order for the examination to be scored. The maximum number of questions possible is one hundred and thirty (130); one hundred (100) scored questions and thirty (30) un-scored pretest questions.

6. What is computer adaptive testing (CAT)?

Computer adaptive testing (CAT) is a specific type of computer-based testing. An adaptive test is commonly shorter than a traditional paper-and-pencil test. CAT also results in more measurement efficiency as it administers questions that provide the most information about the examinee’s competence.

Examination Authorization and Fee Payment

- 7. How long after candidates complete registration eligibility requirements (academic and supervised practice) will it take to be authorized to test?**
The entire process, from the time CDR receives the candidate eligibility information to the time the candidate receives the Pearson VUE Authorization to Test email will be less than a week.
- 8. How much is the examination fee?**
The examination fee for dietitians is \$200 and \$120 for dietetic technicians.
- 9. Does the authorization to take the examination expire?**
Yes. The CDR authorization to test expires after the test is taken or one year after receipt of the Authorization to Test email (whichever occurs first). This means that examinees have 365 days from receipt of the Authorization to Test email from Pearson VUE to register, pay, schedule and complete the examination. If examinees take the test and are unsuccessful, they must contact CDR in order to re-establish eligibility to take the test again. It is important to note that some employers and licensure boards may establish shorter limits on the testing authorization period.

Examination Experience

- 10. How much time do candidates have to complete the examination?**
Examination testing appointments are three (3) hours; two and one-half (2 ½) hours to take the examination, twenty (20) minutes to complete an introductory tutorial, and ten (10) minutes to complete the post examination survey. The timer/clock will begin with question one of the examination. Candidates will have two and one-half (2 ½) hours to complete the examination once the timer/clock begins. The examinee will have the option to hide the clock during the examination. Examination candidates must respond to the minimum number of examination questions (125) in order for the exam to be scored. If the candidate does not respond to the minimum number of questions within the time allowed (two and one-half (2 ½) hours), the examination will shut down and the exam will be scored as a failure, since it was inconclusive. Please see the answer to Question 5 for more information.
- 11. Are candidates given an opportunity to become familiar with the computer before beginning the test?**
Yes. Exam candidates are allowed to take a tutorial on the computer prior to beginning the actual examination. This tutorial includes detailed instructions on taking the computerized examination and provides an opportunity to respond to practice questions. In addition, prior to the exam appointment, there is a practice test available at www.pearsonvue.com/CDR for candidates to download to experience the navigation of exams and use of the on-screen calculator.
- 12. Will a calculator be provided at the test center?**
Yes. An on-screen calculator is included in the exam and is the preferred calculator. A simple, handheld test center calculator can be issued to the candidate, upon request. Candidates are not permitted to bring their own calculator. The calculator (either version) should be examined and tested by the candidate prior to the beginning of the examination.
- 13. Are the test questions in multiple-choice format?**
Yes. Each question has four (4) answer options.
- 14. Are the test questions numbered?**
Yes. The examination questions are numbered.
- 15. Are candidates allowed to change question responses, skip questions, or review question responses?**

Special Accommodations

18. Does CDR make special accommodations for examinees with disabilities?

Yes. Reasonable accommodations for candidates with disabilities, provided appropriate medical documentation is submitted with the request for special testing accommodations, will be made. Refer to the Handbook for Candidates (page 2, Testing of Candidates with Disabilities). All evaluations will be done by Pearson VUE staff who are knowledgeable about the Americans with Disabilities Act.

Study Guides

21. Are there any other materials available to assist candidates in preparing to write the examination?

CDR publishes two study guides; [Study Guide for the Registration Examination for Dietitians and Study Guide for the Registration Examination for Dietetic Technicians](#). Both study guides include a comprehensive study outline, list of references and a practice examination.

CDR does not endorse any particular preparation program or offering but does encourage prospective credentialed practitioners to use a variety of resources that reflect their learning styles and needs.

Purchasing a certification preparation product is NOT required and CDR does not guarantee that an individual will pass based on the purchase of a certification preparation product.

Score Reports: Candidates

22. When do examination candidates receive their score report?

Score reports are distributed to examinees as they leave the test center.

23. What information is included on the candidate score report?

The score report includes the candidate's scaled score and the scaled score required to pass the examination. In addition, the score report will also document the candidate's scaled sub-scores.

	Sub-Score Titles	Registration Examination for Dietitians	Registration Examination for Dietetic Technicians
I	Food and Nutrition Sciences	Domains I and II	Domains I

The minimum scaled score required to pass the examination is twenty-five on a scale of one to fifty.

25. If a candidate decides to stop the examination before responding to the minimum number of questions required to make a pass/fail decision, will the candidate's score be reported as a "fail?"

If a candidate chooses to stop the examination before answering or not responding to the minimum number of questions required to make a pass/fail decision, the examination will not be scored. The candidate will

receive a form documenting their decision to quit the examination. The candidate must contact CDR to be reauthorized to test (see page 1, Authorization to Test). No refunds will be provided.

Score Reports: Academic Programs

26. Do dietetics education program directors receive institutional score reports?

Yes. Program directors receive institutional reports in February and August of each year. The institutional score report includes scaled scores for program graduates, percentile ranks, national mean scores, institutional examinee mean scores, and scaled sub-scores. Examination candidate names are only included if the candidate previously authorized release of scores with the candidate's name.

Examination Reauthorization

27. How soon can unsuccessful candidates retake the registration examination?

Following an unsuccessful examination attempt, candidates are allowed to retest after forty-five (45) calendar days. They must reauthorize with CDR and pay the current examination fee. Candidates may reauthorize and reschedule before the forty-five (45) day wait period is over, but the examination appointment itself needs to occur on or after day 46.

28. Under what conditions must the candidate reauthorize with CDR?

The candidate must reauthorize to test (See page 1 of the *Handbook for Candidates* for instructions on reauthorizing.):

- When the candidate fails the examination;
- When the candidate's one-year authorization period ends;
- When the candidate fails to cancel the testing appointment within the specified timeline;
- When the candidate arrives late for the scheduled testing appointment; or
- When the candidate does not complete the examination during the testing appointment.

29. How often may candidates take the registration examination?

Once a candidate establishes eligibility to take the examination there is no limit on the number of times a candidate may take the examination, provided the candidate waits the required forty-five days between test dates. State licensure candidates must check with their state licensure board for any state specific requirements regarding retesting for licensure purposes only.
